Designwear: dining and living.

IT - Le collezioni Ditre Italia dedicate alla zona living e dining. Un percorso alla scoperta di un nuovo modo di vivere lo spazio casa. Complementi dal design ricercato e dalle finiture eleganti, che partecipano ad un racconto corale dove non è il singolo ad essere protagonista ma l'ambiente stesso. Designwear.

EN - Ditre Italia collections dedicated to the living and dining area. A way to discover a new concept of enjoying spaces in the home. Complementary furnishings with sophisticated design and elegant finishes are part of a collective composition, where single elements are not the protagonist but the context itself. Designwear.

DE - Die Kollektionen von Ditre Italia, die ganz dem Wohn- und Essbereich gewidmet sind. Entdecken Sie eine völlig neue Art und Weise, Ihr Zuhause zu erleben. Zusatzelemente mit raffiniertem Design und eleganten Ausführungen, die gemeinsam eine Geschichte erzählen, in der nicht das einzelne Element, sondern der Raum selbst zum Hauptdarsteller wird. Designwear.

FR - Les collections Ditre Italia dédiées aux zones salon et salle à manger. Un parcours à la découverte d'un nouveau mode de vivre l'espace intérieur. Des compléments au design recherché et aux finitions élégantes, qui participent à un récit corale où ce n'est pas l'élément individuel qui joue la vedette, mais la pièce même. Designwear.

Designwear: night pleasure.

IT - Il design Ditre Italia progettato per rendere unici gli spazi più intimi e personali. Anche gli ambienti della zona notte diventano parte di un progetto organico. Scegliere Ditre Italia è coltivare una filosofia dello spazio abitativo dove si intrecciano la cura sartoriale nella realizzazione dei prodotti e quello stile unico che nasce solo da un'eleganza senza tempo.

EN - Ditre Italia design is created to make the most intimate and personal spaces unique. The spaces in the night area also become part of an integrated project. Choosing Ditre Italia means cultivating a philosophy of the living space, where meticulously tailored products and a unique style, which only comes from timeless elegance, are closely linked.

DE - Das Design Ditre Italia dient dem Zweck, die intimsten und persönlichsten Bereiche einzigartig zu machen. Auch die Räume des Schlafbereichs werden Teil eines organischen Entwurfs. Die Wahl von Ditre Italia bedeutet, eine Philosophie des Wohnraums zu kultivieren, in der die maßgeschneiderte Sorgfalt bei der Realisierung der Produkte mit jenem einzigartigen Stil verschmilzt, der nur von zeitloser Eleganz hervorgebracht wird.

FR - Le design Ditre Italia conçu pour rendre uniques les espaces les plus intimes et personnels. Les espaces de la chambre à coucher deviennent eux aussi partie intégrante d'un projet organique. Choisir Ditre Italia veut dire cultiver une philosophie de l'espace intérieur où s'entrecroisent le soin presque artisanal dans la réalisation des produits et le style unique que seule l'élégance intemporelle peut donner.

Essentially outdoor.

IT - L' integrazione del mobile è fatta di equilibri e rapporti di proporzione che si bilanciano con la bellezza degli elementi naturali.

L' uomo è spettatore di una scenografia compiuta su cui può solamente aggiungere il necessario.

EN - Arranging a piece of furniture is a matter of balance and proportion, offset by the wonder of nature's offerings. We are spectators standing before a finished set. We can only add what we must.

DE - Die Integration des Möbels basiert auf Gleichgewichts- und Proportionsverhältnissen, die mit der Schönheit natürlicher Elemente in Einklang stehen. Der Mensch ist der Betrachter einer formvollendeten Szenografie, der er nur das Notwendige hinzufügen kann.

FR - L'intégration du meuble est faite d'équilibres et de rapports de proportion qui s'équilibrent avec la beauté des éléments naturels. L'homme est spectateur d'un décor accompli dans lequel il ne peut qu'y ajouter le nécessaire.
